## WHO ARE WE

The Huntington Society of Canada aspires to a world free from Huntington disease. The Society maximizes the quality of life of people living with HD by delivering services, enabling others to understand the disease, and furthering research to slow and prevent Huntington disease.

## GET THE FACTS

- HD is a fatal hereditary brain disorder
- A child born to a parent with HD has a 50% chance of sharing the same fate
- Approximately 1 in every 5,500 are at-risk of developing the disease
- One in every 1,000 Canadians is directly or indirectly impacted by HD
- Currently there is no known cure for HD
